

Sample abstract for ACA 2014 Proceedings

Gabriel Aguilera, José Luis Galán, Pedro Rodríguez; University of Málaga (Spain)

Gilles Picard; University of Montreal (Canada)

`aca2013@ctima.uma.es`

This is a sample abstract for submitting a talk for any special session at ACA 2014. You should send the tex file and a pdf version of your proposal to the session chairs.

Please, follow the specific submitting instructions for sending your abstract but do not forget to send the tex and pdf versions.

Your abstract should be about half a page. This one would be less than half a page, but it is padded out below. It will be included in the proceedings booklet (maybe with ISBN). You may want to include a web link to a longer version of the abstract.

Padded to be half a page. Your abstract should be about half a page. This one would be less than half a page. It will be included in the proceedings booklet (maybe with ISBN). You may want to include a web link to a longer version of the abstract.

Padded to be half a page. Your abstract should be about half a page. This one would be less than half a page. It will be included in the proceedings booklet (maybe with ISBN). You may want to include a web link to a longer version of the abstract.

Padded to be half a page. Your abstract should be about half a page. This one would be less than half a page. It will be included in the proceedings booklet (maybe with ISBN). You may want to include a web link to a longer version of the abstract.

You can fill in keywords below, but if I need the space I will delete them.

Another abstract for ACA 2014 Proceedings
